

Easterseals Advocacy Day 2019
Texas State Capitol
Legislative Conference Center
Room E2.002
April 18, 9:00am- 3:00pm

Join us as we advocate for policies that support people with disabilities!

The Easterseals Coalition Serving Texas will host an advocacy day for self-advocates, family members, and community members from across the state who are interested in disability advocacy in Texas. Participants will have the opportunity to meet advocates, receive an advocacy training, and directly participate in the legislative process by making legislative office visits.

During advocacy training participants will receive; an overview of the legislative process, updates on issues and bills impacting the disability community, and tips to effectively share their views with their legislators. In the afternoon, groups of attendees will meet with legislators to advocate for policies that support people with disabilities. Participants will also get the chance to witness the legislature in action by watching the House of Representatives present a resolution in recognition of Easterseals' important work.
