Autism Society of Texas - Access Austin - Client Enrollment/Release Form Procedure:

All information provided to the Autism Society of Texas will be kept confidential and will be used for grant eligibility and reporting purposes only.

Email all necessary documentation directly to employment@texasautismsociety.org.

Step 1: Please provide proof of an autism diagnosis. At AST, we understand that receiving an autism diagnosis can be difficult and time consuming. Therefore, the Austin Access program will accept participants into the Path-Building Employment Program with a documented autism diagnosis from federal sources (social security or disability), school psychologist, clinical or counseling psychologist, psychiatrist, developmental pediatrician, or a neurologist.

Step 2: All income levels may apply and will be considered. We will need to know the number of people living in each client's household and what their current incomes are (via W2s, 1099s, tax returns, a paycheck stub, or a self-attestation form) in order to assess what percentage of the FPL they're at. **We recommend you send us copies of each household members' most current paycheck stub.**

To gauge what percentage of the FPL you are at, we recommend going here: <https://aspe.hhs.gov/poverty-guidelines>
If you look over on the right hand side, there's a PDF chart you can download that will tell you percentage thresholds.

Step 3: To be eligible for this program, you must reside in Austin/Travis County. Please select your zip code below. If you don't see your zip code, you most likely will not qualify for this local program at this time. However, please reach out if you would like to be notified as we expand our programming.
